

Project	Description	Category	Funding	Status
West Complex Rail yard	Rehabilitation of approximately 1 Mile of rail for classification yard use	Public Works	DOT FHWA ARRA	Current/Complete
West Complex Substation Project	Construction of a new 25 MVA substation to serve Rough and Ready Island with electrical power distribution	Public Works	Industrial Development Revenue Bonds	Current/Complete
Cargo Inspection Facility	Construction of a 10 Acre Secure Cargo Inspection Facility	Public Works	DHS, FEMA, Prop 1B	Current/Complete
East / West Complex Security Gates and Dock Improvements	Rehabilitation and improvements to Security Entry Gates and Secure Cargo Dock improvements	Public Works	DHS, FEMA, Prop 1B	Current/Complete
Five Year Security Assessment	Perform 5 year Port security assessment	Services	DHS, FEMA, Prop 1B	Current/Complete
Portable Traffic Signs and Portable Lighting	Emergency electric signage and portable security lighting	Goods Procurement	DHS, FEMA, Prop 1B	Current/Complete
Wireless Communications	Construct and deploy Wireless Mesh Network	Public Works	DHS, FEMA, Prop 1B	Current/Complete
Back-Up Generators	Construct and installation of Emergency Backup Generators	Public Works	DHS, FEMA, Prop 1B	Current/Complete
Hydro Lift	Construction of Hydraulic Boat Lift for deployment of Port Police Emergency Response Vessel	Public Works	DHS, FEMA, Prop 1B	Current/Complete
BNSF Grade Separation Project	Construction of a 2 lane Grade Separation on Daggett Road over the BNSF Grade Crossing	Public Works	DOT FHWA/HRCSEA Prop 1B	Current/Construction
TWIC Infrastructure and Communications Hub TI&CH Project	Construction and Installation of fiber infrastructure on the East and West Complex	Public Works	DHS, FEMA ARRA, Prop 1B	Current/Construction
Emergency Response and Communications Hub ER&C Project	Construction of secure communications hub and site preparation for future building construction	Public Works	DHS, FEMA, Prop 1B	Current/Construction
Emergency Response Center Construction ERCC Project	Construction of a new emergency response building	Public Works	DHS, FEMA ARRA, Prop 1B	Current/Construction
TIGER Boiler Room Demolition Project	Demolition of existing Navy Boiler Room to support The M580 Corridor Container on Barge Service Marine Highway	Public Works	DOT MARAD TIGER ARRA	Current/Construction
TIGER Barge Procurement	Procurement of 2 Barges to be utilized for The M580 Corridor Container on Barge Service Marine Highway	Goods Procurement	DOT MARAD TIGER ARRA Regional Air District Funds	Current/Construction
TIGER Mobile Harbor Crane Project	Supply of 2 145 Ton Mobile Harbor Cranes to be utilized for The M580 Corridor Container on Barge Service Marine Highway	Goods Procurement	DOT MARAD TIGER ARRA	Current/Construction
TIGER Container Crane Demolition Project	Demolition of existing 35 Ton Harbor Crane to support for The M580 Corridor Container on Barge Service Marine Highway	Public Works	DOT MARAD TIGER ARRA	Current/Construction
Navy Drive Bridge Replacement Project	Construction of 4 lane Bridge to replace existing 2 lane Bridge over Burns Cut off	Public Works	DOT FHWA / Port Local Funds	Current/Design
Fresno Ave/HWY 4 Offsite Traffic Mitigation Project	Construct intersection improvements to mitigate for West Complex Development traffic	Public Works	DOT FHWA / Port Local Funds	Current/Design
Enterprise Geographic Information System EGIS Project	Design and deployment of GIS solution for port wide operations support	Services	DHS, FEMA ARRA, Prop 1B	Current/Design
Enterprise Technology Infrastructure Platform ETIP Project	Design and deployment of technology infrastructure to support security improvements and upgrades	Services	DHS, FEMA ARRA, Prop 1B	Current/Design
West Complex West RR Island Rail Track Improvement Project	Rail Rehabilitation for service to be utilized for The M580 Corridor Container on Barge Service Marine Highway	Public Works	Industrial Development Revenue Bonds	Current/Design
SF Bay to Stockton Baldwin Ship Channel Deepening Project	Deepen the navigational depth of the Federal shipping channel to 40'	Public Works	TCIF Prop 1B, USACOE, Regional business funds	Current/Design
Navy Drive Widening Project	Widen Navy Drive from 2 lanes to 4 lanes including Construction of a 4 lane undercrossing at existing BNSF Grade Undercrossing	Public Works	Pending	Current/Planned
Rough and Ready Island Rail Bridge Replacement Project	Construction of a new rail road bridge to replace existing rail road bridge	Public Works	Pending	Current/Planned

Robert Island Bridge Project	Construction of a new 2-lane bridge over Burns Cut off to Roberts Island	Public Works	Pending	Current/Planned
Secure Systems Software (S3) Project	Design and deployment of security information systems improvements and upgrades	Services	DHS, FEMA ARRA, Prop 1B	Current/Planned
Down River Surveillance (DRS) Project	Construction of secure downriver surveillance system for tracking ship traffic from Stockton to SF Bay	Public Works	DHS, FEMA, Prop 1B	Current/Planned
MH580 Overweight Corridor Project	Rehabilitation of current and existing roadways to support the MH580 Corridor Container on Barge Service Marine Highway	Public Works	TIGER III - Application/Pending	Current/Planned
Side Scan Sonar Project	Design and Deploy side scan sonar to be utilized on the Port of Stockton Police Department Emergency Response Vessel	Goods Procurement	DHS, FEMA, Prop 1B	Current/Planned
Forward Command Post	Design and Deploy forward command post to be utilized by Port Police staff operations	Public Works	DHS, FEMA Prop 1B	Current/Planned
CCTV Project	Design and Deploy solution to augment existing CCTV capabilities	Public Works	DHS, FEMA Prop 1B	Current/Planned
